### **Urgent need for an increased OSCE observer mission in Eastern and Southern Ukraine**

Dear Sirs,

We, the Ukrainian Community in Denmark and friends of Ukraine, would like to support initiative of Ukrainian World Congress in urging the OSCE to substantially increase the number of its military and civilian observers in Eastern and Southern Ukraine to monitor the situation on the ground and deter provocations that can lead to serious military confrontations.

We trust that you will agree on the urgency of the situation and will act decisively in the interest of security and stability in the region and worldwide.

Along with the letter we add a letter from Ukrainian World Congress.

With sincerest gratitude,  
Alina Protsyk
